CONCAVE METAL ROOF

This elegant architectural detail is stunning in copper.

PAINTED ALUMINUM ROOF

Hip or Concave, 26 color choices
Ask for a Una-Clad™ color selector.

COPPER ROOF

Incralac finish maintains the polished, shiny surface. Patina treatment quickens the natural color shift to a soft green.

INTERIOR OPTIONS

WOOD Oak or Birch construction

FINISHES

Interior wood surfaces stained and sealed with durable lacquer clear coat. Stain matches Polaris® woodgrain laminates when applied to Oak Only.

Paint in white or beige

Maintenance free, scratch resistant plastic laminate in white or beige.
Seat only or seat, head and side jambs

Touch-up stain or paint included.
