VINYL RESIDENTIAL REPLACEMENT WINDOWS & PATIO DOORS SERIES 3000 LIMITED LIFETIME WARRANTY

This Limited Lifetime Warranty applies to the original Homeowner.

HARDWARE

EnergyWall Windows & Doors warrants, subject to the conditions and restrictions contained herein, that EnergyWall Windows & Doors fenestration products shall be guaranteed against defects in materials and workmanship for a period of thirty (30) years from date of acceptance of the installation, provided installation is in accordance with the manufacturer's specifications and instructions. This warranty does not include parts that have been abused, misused or not used for the purpose intended or parts that have been damaged in shipments that are not the responsibility of EnergyWall Windows & Doors.

LIFETIME FRAME AND SASH

EnergyWall Windows & Doors warrants that the vinyl extrusions manufactured from EnergyWall Vinyl Compound, for use by EnergyWall Windows & Doors in fabricating the windows and patio doors, are free from defects in material and workmanship in the course of manufacture and will not materially rot, rust, crack, warp, pit, corrode, peel or blister during the warranty period and will not materially fail to maintain their basic color characteristics in the warranty period

INSULATED GLASS LIMITED WARRANTY

EnergyWall Windows and Doors warrants that its insulating glass units (the Product) will be free from material obstruction of vision as a result of dust or film formation on the internal glass surfaces caused by failure of the hermetic seal due to faulty manufacturing of the unit. The EnergyWall Windows and Doors warranty of the Product shall extend for a period of thirty (30) years after the date of installation. Should the glass fail after the year indicated below as a result of defects, then EnergyWall Windows and Doors will charge you a fixed percentage of the company's selling price for insulated glass at that time, according to the following schedule.

Years	Payment Percentage
0 to 20	0%
21 to 30	50%

If EnergyWall Windows and Doors elects to supply another product as described below, the warranty on said Product will extend for the balance of the original 30-year period.

If the unit fails to perform in accordance with the above statements during the applicable warranty period, EnergyWall Windows & Doors shall, upon written notification and validation of the complaint by inspection by its designated representative, supply a replacement for the non-conforming unit or grant a credit for a portion of the cost of the unit, as herein after specified. EnergyWall Windows & Doors obligation under this Limited Warranty is to supply a replacement unit for the non-conforming unit FOB EnergyWall Windows & Doors nearest active dealer to the installation during the first year of the Limited Warranty period. Labor of any kind or other costs to remove the non-conforming unit and/or to install the replacement unit is not included in this Limited Warranty. EnergyWall Windows & Doors shall bear no other expense of any kind and the Original Purchaser's exclusive remedy shall be replacement or credit on the basis stated. The Original Purchaser shall pay any and all labor costs necessary to install replacement units.

This Limited Warranty is void, and EnergyWall Windows & Doors shall not be obligated to replace any unit or provide a credit for any unit where the necessity of such replacement in EnergyWall Windows & Doors opinion, is due in whole or in part to improper installation of the EnergyWall Windows & Doors insulated window and/or patio door containing the unit, maintenance or service, modification or alteration or accident, involving the unit. Additionally, this Limited Warranty shall not apply to (i) a unit sold or installed outside of the United States, (ii) a unit damaged in handling and/or installation, (iii) a unit that is subjected to stresses resulting from localized application of heat causing excessive heat differentials over the surface or edges of the glass, (iv) seal failures due to faulty or improper installation, (v) use of unapproved exterior applied agents (e.g., unapproved cleaning agents, oil based compounds, etc.), (vi) any installation in excess of 6,000 feet above sea level of any unit without proper

capillary breather tubes, (vii) in the event of application of films or decorations (e.g., sun-absorbing or reflective films or decorative substances), (viii) a unit installed in a high vibration area (e.g., airports) or a high moisture area (e.g., swimming pool or spa enclosures), where there is excessive vibration of the building or foundation or abnormal moisture or chemical environments, (ix) a unit sold or installed in an excessive saline environment, or (x) a unit that has been subjected to pressure cleaning.

If EnergyWall Windows & Doors supplies a replacement unit, the Limited Warranty of the replacement unit will extend for the time remaining on the original Limited Warranty hereunder and the warranty period will not be extended. In all cases, the date of manufacture of the EnergyWall Windows & Doors insulating window and patio door containing the unit to the date that the claim is made will govern the extent of the coverage under the Limited Warranty.

EnergyWall Windows & Doors reserves the right to discontinue or make changes in the unit and/or in any of its insulating windows and patio doors. If the unit covered by this Limited Warranty is not available, in the event of replacement of a non-conforming unit, EnergyWall Windows & Doors shall have the right to substitute a replacement unit that in EnergyWall Windows & Doors sole discretion is of equal quality or value.

EnergyWall Windows & Doors is providing an express Limited Warranty as set forth herein. EnergyWall Windows & Doors cannot and shall not be liable for a breach of any other written or oral express warranties, such as those, if any, given by dealers, contractors, applicators, installers or distributors of the units and/or of the EnergyWall Windows & Doors insulated windows and patio doors containing the units. **Any implied warranties of merchantability and fitness for a particular purpose, are limited in time to the duration of this express limited warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. EnergyWall Windows & Doors shall not be liable for any consequential damages or incidental damages for breach of any express, written, oral or implied warranties. Your exclusive remedy shall be replacement**
